# Event catering made simpler.

Serving  
suggestion

*Make catering for receptions or events simpler with our  
defrost and serve premium hand-finished canapés.*

*Save labour and wastage\* too, meaning more profit on your bottom line.*

## *Why make your own?*

\*Research by the BFFF, in conjunction with Manchester Food Research Centre (May 2009), proved there is a 66% cost saving to the caterer when buying frozen ready-prepared canapés compared to preparing from scratch. The costs took into account the following overheads: labour, wastage, energy, water, cleaning and raw materials.
