FESTIVE TRENDS:

Unwrap the Magic:

This season, melt hearts (and cheese) with indulgent Camembert creations. From tear-and-share breads to baked, loaded wheels, Camembert remains a must-have for premium festive menus.

Camembert Fondue

Craving a dish that's rich, comforting, and built for indulgence? Loaded Camembert's are the perfect solo star; a baked delight with endless festive potential. Whether topped with cranberry and walnut, fig chutney, or pancetta and rosemary, each portion offers a punch of flavour and a premium feel that elevates any seasonal offering.

These melt-in-the-middle delights strike a clever balance between nostalgic comfort and curated flair. Served as a starter, a festive vegetarian main, or a decadent side, they deliver indulgence in a perfectly portioned format that's as visually striking as it is satisfying. For busy kitchens, they also offer consistency and ease; going from oven to table with minimal effort but maximum impact. Add them to your Christmas or New Year's Eve line-up and give guests a dish that feels festive, premium, and made just for them.

The Perfect Starter or Sharing Showstopper

Few things say festive indulgence quite like a warm, gooey Camembert fondue.

This crowd-pleasing classic is making a big return as the hero of seasonal sharing; perfect for elevating starter boards or adding a luxurious twist to grazing menus. Served with rosemary focaccia, pigs in blankets, or charred vegetables, it brings warmth, comfort and a little theatre to the table.

Its rustic charm taps into current dining trends around experience-led food, encouraging customers to dip, tear and share together. Not only is it visually impressive, it's cost-effective too; ideal for turning simple ingredients into a centrepiece dish that delivers big impact with minimal prep. Whether used on festive menus, party boards, or winter warmers, Camembert fondue is a flexible favourite that ticks every box this season.

OUR SELECTION OF *Festive Drinks & Ingredients*

This festive season, it is all about embracing indulgence with a twist. Dessert-inspired drinks are leading the way with the likes of caramel drizzled Gingerbread Lattes, or a Tiramisu Hot Chocolate with a shot of espresso.

There's also growing interest in cocktail-style festive specials, with syrups playing a starring role like a Cherry Amaretto Mocha or a Caramel Fudge Espresso Martini made easy with syrup range. For those looking to offer non-alcoholic takes on classic cocktails, seasonal syrups make it simple to serve drinks that feel festive without the alcohol.
